COPYRIGHT AND CONSENT FORM

TITLE OF PAPER,

COMPLETE LIST OF AUTHORS:

COPYRIGHT TRANSFER

The undersigned hereby assigns to Intelligent Methods In Engineering Sciences (the "IMIENS") all rights under copyright that may exist in and to: (a) the above Work, including any revised or expanded derivative works submitted to the IMIENS by the undersigned based on the Work; and (b) any associated written or multimedia components or other enhancements accompanying the Work.

CONSENT AND RELEASE

This signed statement must be returned to IMIENS prior to the scheduled publication of the Journal in which the Paper will be published. The intent of this Agreement is to protect the interests of both IMIENS and authors/employers and to specify reasonable rights for both parties related to publication and reuse of the material.

The undersigned hereby grants IMIENS the unlimited, worldwide, irrevocable right to use his/her name, picture, likeness, voice and biographical information as part of the advertisement, distribution and sale of products incorporating the Work/Paper/Article/Report, and releases IMIENS from any claim based on right of privacy or publicity.

The undersigned hereby warrants that the Work and Presentation (collectively, the "Materials") are original and that he/she is the corresponding author of the Materials. To the extent the Materials incorporate text passages, figures, data or other material from the works of others, the undersigned has obtained any necessary permissions. Where necessary, the undersigned has obtained all third party permissions and consents to grant the license above and has provided copies of such permissions and consents to IMIENS.

AUTHOR RESPONSIBILITIES

Authors, or their employers in the case of works made for hire, retain the following rights:

- All proprietary rights other than copyright, including patent rights.
- The right to make and distribute copies of the Paper for internal purposes.
- The right to use the material for lecture or classroom purposes.
- The right to prepare derivative publications based on the Paper, including books or book chapters, journal papers, and magazine articles, provided that publication of a derivative work occurs subsequent to the official date of publication by IMIENS.

If the work that forms the basis of this Paper was done under a contract with a governmental agency or other entity that retains certain rights, this Transfer of Copyright is subject to any rights that such governmental agency or other entity may have acquired. By signing this Agreement, on behalf of all authors, the corresponding author warrant that (1) the Paper is original and has not previously been published elsewhere; (2) this work does not infringe on any copyright or other rights in any other work; (3) all necessary reproduction permissions, licenses, and clearances have been obtained; and (4) the authors own the copyright in the Paper, are authorized to transfer it, and have full power to enter into this Agreement with IMIENS.

WHO SHOULD SIGN. This form must be signed at least by corresponding author of the article. The author(s) signing this Agreement represents that he/she is signing this Agreement as authorized agent for and on behalf of all the authors.

As the corresponding author, on behalf of all the authors, I also warrant that "IMIENS and the Journal Editors" will not be held liable against all copyright claims of any third party or in lawsuits that may be filed in the future, and that I will be the only person who will be liable in such cases. I also warrant that the article contains no libelous or unlawful statements, we did not use any unlawful method or material during the research, we obtained all legal permissions pertaining to the research, and we adhered to ethical principles during the research.
